Morehead State University  
Proposal for  
Student Ombudsman Office  
June 1988

I. Purpose and Operation

1. To provide the members of the University community (faculty, staff, students, and administrators) with an office to hear individual problems, complaints, and grievances within that community.
2. It shall be the function of the Student Ombudsman to receive, and if necessary, investigate and seek to resolve, through moral persuasion, arbitration, or recommendation, a speedy and equitable solution to any grievance or question directed by or toward any member of the University community.
3. The Student Ombudsman shall have an assistant who is selected based on the same procedure as the Student Ombudsman.
4. The Student Ombudsman shall not have the authority to reverse decisions unilaterally, to take disciplinary action, or to circumvent existing University procedures. He/she shall supplement, not replace, other means of resolving complaints, grievances, or questions.
5. The Student Ombudsman shall establish such operating procedures as are deemed necessary.
6. All complaints filed with the Student Ombudsman shall be in writing.
7. The Student Ombudsman may decline to accept, investigate, or continue action on any complaint filed with the office if:
  - A. there is adequate remedy for the grievance under existing law, policy, or procedure, or
  - B. the grievance is trivial, vexatious, or not in good faith, or
  - C. the complaint does not have sufficient personal interest in the subject matter of the grievance.
8. The Student Ombudsman may request any member of the University community to furnish him information relating to any grievance or question being investigated. He/she shall, in addition, have access to University records and documents pertinent to such investigation subject to law and to maintain the confidentiality of student records. The Student Ombudsman shall also have access

to all meetings of committees having student members and to all meetings centered upon the discussion of students.

The names and identifying circumstances of those against whom complaints are filed shall be revealed only to those who must be notified in the course of an investigation.
2. The Student Ombudsman and Assistant Student Ombudsman shall maintain the confidentiality of all information encountered during the course of an investigation which is not for general circulation in the University community. In addition, they shall not break confidences concerning meetings to which they have been admitted when the content of such meetings is not for general distribution in the University community.
3. If confidential material is requested from the Student Ombudsman, he/she shall decide whether the reason given for the request is lawful and justifies access to such material. If a request for access to such material is denied by the Student Ombudsman, it shall be available only by court order.

## III. Student Ombudsman Advisory Committee

- A. The term of a faculty advisor shall be two years. The term may be renewed by filing an application with the Advisory Committee to be reviewed. The Advisory Committee will then follow the guidelines from Section 1 and 2 to decide who will be the advisor.
  - B. The advisor may be removed from office prior to the end of the term only for failure to carry out the responsibilities of advisor. After granting a hearing to determine the truth of any alleged failure to carry out the responsibility of the advisor, the Student Ombudsman Advisory Committee may, by vote of two-thirds of it's members, recommend dismissal, stating it's reasons. This recommendation for dismissal shall be made to the President.

4. A. The Student Ombudsman shall be appointed for a term of one year. The term may be renewed by filing an application to be included in the selection process of the Student Ombudsman for the upcoming year.
- B. The Student Ombudsman shall hold office from July 1 through June 30 or until a successor is chosen as provided above.

This recommendation will then be submitted to the President.
- D. The Advisory Committee shall establish procedures for filling a mid-term vacancy in the post of Student Ombudsman. These procedures shall provide for the immediate filling of any vacancy. RE: Something's Brewing with MSU Basketball

The City of Morehead will be having trick or treat night on Monday, October 31st. We want to remind all of you that for the children this is an exciting night. We want to encourage you to encourage those in your hall or in your fraternity and sorority to drive with care on this fun night.

We also want you and your group to have fun. We invite you to come and trick or treat with the MSU Basketball Eagles and Lady Eagles. Meet the team night will be held this year on Monday, October 31, at 9pm in the AAC. During this event we will also be holding three costume contest.

The first two competitions will be for the best costume by a Greek organization and a residence hall. Come dressed as one thing or a bunch of one things! Be creative! Be imaginative! Be witching enough to win a \$50 prize.

The third catagory is the best individual halloween costume. Judging will take place during the basketball scrimmage. All winners will be announced following the scrimmage.

We'll see you and your group on Monday, October 31, at 9pm at the AAC for this haunting experience.
